

LIFESTYLE & WELLNESS.®

Your peace of mind. Our beautifully crafted designs.

SEACHROME

SMART. SECURE. STYLISH.

At Seachrome, we deliver on our promise of innovation, craftsmanship and service in all of our work. Our in-depth knowledge that combines manufacturing and artistry assures that Seachrome's Lifestyle & Wellness® series meets the highest standards in its class. Comfort, safety and beauty combine in each of these bold, innovative designs. The Lifestyle & Wellness series integrates our decades of experience in providing stable and secure structural options in a bathroom environment — proven to create confidence, self-reliance — and peace of mind — for the elderly and physically impaired. Underlying the fluid lines and elegant simplicity is our commitment to functional support, durability and intelligent style — all in service to health and quality of life for everyone.

**Beautifully crafted for your peace of mind.
Smartly designed for your sense of style.**

From initial concept and prototype design through tooling and production, we treat each product as if intended for our own family's use. Seachrome embraces an eco-friendly philosophy, using #304 stainless steel material, 100% recyclable in finished form.

SILHOUETTE SEAT

SAFE. SIMPLE. SILHOUETTE.

Where comfort, safety and beauty meet.

Today, as more individuals with special health needs seek to remain in the comfort of their own homes, Seachrome can support them every step of the way—with beautifully crafted bathroom safety fixtures that merge comfort and style with the highest safety standards in their class.

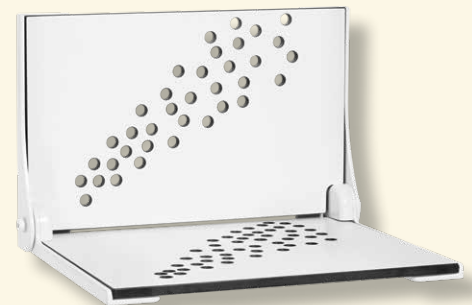

The Seachrome Silhouette tub and shower seats offer aesthetically pleasing accessibility options for the home. Choose from High Back Straight Top or Arch Top Silhouette designs in a variety of seat material colors and powder coated frame colors. Silhouette seats are made from durable phenolic material, in a range of sophisticated graphic cutout patterns that are designed to provide a pleasing complement to a variety of bathroom décor styles. Like the rest of the Lifestyle & Wellness series, Silhouette tub & shower seats incorporate all-American craftsmanship and environmentally friendly manufacturing practices, to meet all your needs for safety, style, and comfort.

GRAB BARS

You can rely on Seachrome products to provide safety for all ages because:

- All grab bars are constructed from durable #304 stainless steel.
- When properly installed, grab bars can support up to 250 lbs.

WEDGE BAR GW-3016 SERIES

Luxury and security combine in this grab bar featuring an angled design that provides vertical and horizontal support in the shower.

LENGTH: 16" | HEIGHT: 16"
(SHOWN: GW-3016-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

WAVE BAR GS-3500 SERIES

This stylish grab bar's wave design blends contemporary elegance with solid strength and support. Available in a range of sizes.

LENGTH: 18", 24", 36" OR 48"
(SHOWN: 24" GW-3524-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

ZUMA BAR GW-3600 SERIES

This extended grab bar combines ergonomic strength and modern design for optimal bathroom security. Available in left-handed and right-handed configurations.

OVERALL LENGTH: 38" | HEIGHT: 12"
(SHOWN: GWL-3638-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

MAVERICK BAR GW-3100 SERIES

The gentle, elongated wave design of this grab bar allows for better grip and control, combining strength and support with contemporary elegance.

LENGTH: 30" (SHOWN: GW-3130-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

GRAB BAR COLORS AND FINISHES

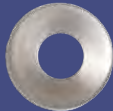

All Wellness series products are shown in Seachome's standard polished stainless finish. Additional finish and design options are available upon request.

Polished Stainless

Satin Stainless

Satin Nickel

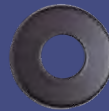

White

Biscuit

Almond

Bronze

Black

Seachrome products are designed with 100% recyclable materials and support LEED compliance.

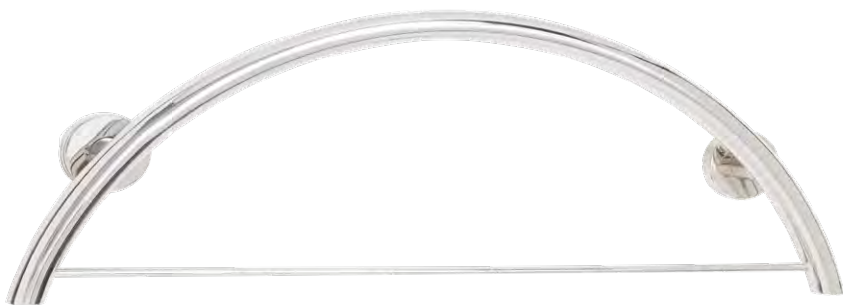

CRESCENT BAR

GW-3400 SERIES

This striking grab bar is designed with a long, gentle curve, to combine optimal grip support with lasting style in the bathroom.

LENGTH: 30" (SHOWN: GW-3430-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

HALF MOON BAY

GW-3200 SERIES

Enjoy the dual functionality of a grab bar and towel bar together in one stylish curved design.

LENGTH: 30" (SHOWN: GW-3230-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

NEWPORT BAR

GW-3900 SERIES

One-piece, welded construction combines the dual functionality of a grab bar and a towel bar in this space-saving fixture. Available in a variety of finishes and sizes.

LENGTH: 30" (SHOWN: GW-3930-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

Lifestyle & Wellness series products are proudly made in the USA.

PISMO BAR

GW-3300 SERIES

An integrated grab bar and toilet paper holder featuring a sturdy, contemporary wave-curve design. Available in left-handed or right-handed configurations.

LENGTH: 30" (SHOWN: GWR-3330-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

PIANO BAR

GW-3700 SERIES

Strength, support, and style inform the graceful, high-falling curve of this multi-purpose grab bar towel bar combo. Both left-handed or right-handed configurations available.

LENGTH: 30" (SHOWN: GWR-3730-QCR)
AVAILABLE IN 1 1/4" AND 1 1/2" DIAMETER

HUNTINGTON BAR

GW-4400 SERIES

This sleek, curved valve grab bar is designed to encircle tub or shower faucets, providing long lasting security and support along with visual appeal.

12" RADIUS (SHOWN: GW-4412-QNS)
AVAILABLE IN 1 1/4" DIAMETER

WALL-TO-FLOOR SWING AWAY BAR GW-4300 SERIES

This wall-to-floor mounted swing bar is engineered to move 90 degrees out and back for support when entering or exiting the bath area, swinging outward when in use and tucking back securely against the wall. The swing-away bar is 39" X 3" with a 21" swing arm and locking rotating flange.

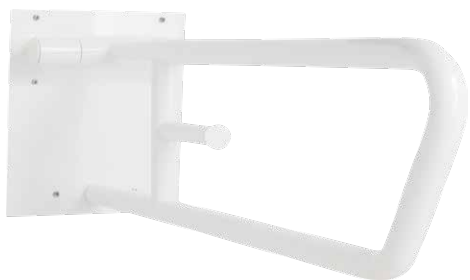

LENGTH: 30"
AVAILABLE IN 1 1/4" DIAMETER

WALL-TO-WALL SWING AWAY BAR GW-4200 SERIES

A wall-mounted version of the 90-degree swing bar offers support and room to move in a shower or bath. Allows users to enter and exit the bath area safely.

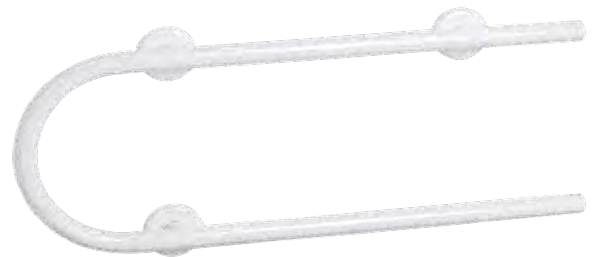

LENGTH: 30"
AVAILABLE IN 1 1/4" DIAMETER

SWING UP BAR GW-4100 SERIES

The swing-up grab bar can be easily guided upwards to create space - with less than three pounds of pressure - and down again for secure support. Enables the user to raise and lower themselves from a sitting position when it is in the down position and swings up for ease of entry.

LENGTH: 30" (SHOWN: GW-4130)
AVAILABLE IN 1 1/4" DIAMETER

U-BAR GW-3800 SERIES

A smart, elongated horizontal "U" design offers a chic solution for integrating the solid functionality of a grab bar and stylish towel bar.

LENGTH: 30" | HEIGHT: 11"
(SHOWN: GWL-3830-QCR)
AVAILABLE IN 1 1/4" DIAMETER

Product designs and installation guidelines are developed in alignment with ADA requirements, to provide secure structural options.

PROFILE BENCH SEAT

PRACTICAL. PORTABLE. PROFILE.

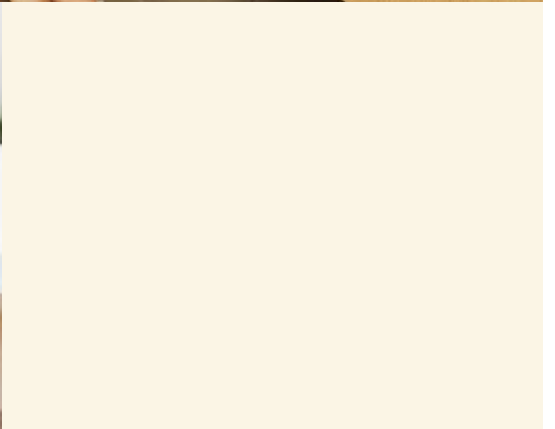

Accessible style. Now you can have it all.

At Seachrome, we believe that you should not have to compromise between personal safety and personal style. Now you can enjoy the security of bath accessories that combine all-American quality craftsmanship with the highest standards of safety in their class, for a beautifully crafted alternative to accessibility in the bathroom.

The Seachrome Profile bench seat enables consumers to enjoy a shower at home with real peace of mind. Designed to facilitate mounting from a Seachrome grab bar, the Profile bench seat is constructed from sturdy phenolic (white or teak) and a satin stainless steel frame that is equally at home in traditional and contemporary bathroom settings. Like the rest of the Lifestyle & Wellness series, the Profile bench seat is designed for safety, security, portability, and comfort.
